

2015-2016 MATCHING GUIDE

Eastover's Guide to Matching Gifts

Would you like to double the power of your gift to Eastover? Many companies will match charitable contributions their employees give to schools thereby doubling the impact of your donation. *Invest in Your Child* and *Boosterthon* are both fundraisers that can be enhanced by your matching gift.

When completing your employer's matching gift paperwork, please be sure to select "Eastover Elementary PTA" as the matching gift recipient when submitting a matching request and notify PTA Fundraising Chair Lindsay Jones at lindsayhawfieldjones@gmail.com.

We received matching gifts this past year from the following employers:

Crown Castle USA
